

## Slick jQuery

```
$slider.on('init',function(event, slick) {  
  var totalSlideCount = slick.slideCount;  
  var initCalc = ((totalSlideCount - (totalSlideCount-1)) / totalSlideCount) * 100;  
  $progressBar.css('background-size', initCalc + '% 100%').attr('aria-valuenow', initCalc );  
})  
  
//const thumbImgWidth = $(".product-img-box .wrapper-images .thumb img").width();  
//$(".product-img-box .wrapper-images").css("max-height",thumbImgWidth);  
//$(".product-photo-container.thumb-slider").css("max-height",thumbImgWidth);  
//$(".product-detail-wrap .product-photos").css("max-height", thumbImgWidth + 50);  
  
$('.product-detail-wrap .thumb-slider').slick({  
  dots: true,  
  infinite: true,  
  slidesToScroll: 1,  
  autoplay: true,  
  autoplaySpeed: 3000,  
  arrows: false,  
  variableWidth: true,  
});  
},
```
