

스크롤 함수

.length: 존재유무를 확인하는 요소

```
$( window ).scroll(function() {  
  var documentScroll = $( document ).scrollTop();  
  var mainBannerDisplay = $( '.main-banner' ).css('display');  
  const pcBannerContent = $( '.main-banner .pc-banner' );  
  const collectionBanner = $( '.main-banner .collection-desktop-bn' );  
  
  if ( mainBannerDisplay == 'block' ) {  
    if(pcBannerContent.length || collectionBanner.length){  
  
      if(documentScroll > '380'){  
        $( '#quick-view-wrap' ).css('position','fixed');  
      } else {  
        $( '#quick-view-wrap' ).css('position','relative');  
      }  
  
    } else {  
      $( '#quick-view-wrap' ).css('position','fixed');  
    }  
  
  } else {  
    $( '#quick-view-wrap' ).css('position','fixed');  
  }  
});
```
