

How to Manipulate Images with the `img_url` Filter

```
{{ product.featured_image | img_url: '100x100' }}
```

1. Size

```
{{ product.featured_image | img_url: '450x450' }}
```

```
{{ product.featured_image | img_url: '450x' }}
```

```
{{ product | img_url: 'x450' }}
```

2. Crop

```
{{ product.featured_image | img_url: '450x450', crop: 'center' }}
```
