Scroll fix content

```
<div class="header"></div>
<nav>
 <a href="#">Add To Bag</a>
 </nav>
<div class="content"></div>
$(document).ready(function(){
 $(window).scroll(function(){
  if ($(this).scrollTop() > 300) {
   $('nav').addClass('fixed');
  }
  else {
   $('nav').removeClass('fixed');
  }
});
});
```
